PROFILE

Computer Science student at Lovely Professional University with a strong interest in Artificial Intelligence and Machine Learning. Enjoys learning through programming, practical projects and hackathons, with a problem-solving mindset and a focus on building a strong technical foundation.

EDUCATION

Lovely Professional University · B.Tech CSE · 2025-2029

Holy Cross International School, Patna · Senior Secondary · 2023-2025

Don Bosco Academy, Patna · Matriculation · 2022-2023

TECHNICAL SKILLS

Core: Python · C/C++ · Java · DSA · OOP · DBMS · Computer Networks

AI/ML: Artificial Intelligence · Machine Learning · Data Analysis · Python for AI

Additional: HTML · CSS · JavaScript · Git/GitHub · VS Code

SELECTED PROJECTS

01 Memory Vault [HTML](#) · [CSS](#) · [JavaScript](#) [GitHub](#) ↗

Privacy-focused web project for storing and managing personal memories.

02 School Website [HTML](#) · [CSS](#) · [JavaScript](#) [GitHub](#) ↗

Responsive educational website with information, courses, contact functionality and interactive elements.

03 Simple Python Calculator [Python](#) [GitHub](#) ↗

Compact Python project implementing core calculator operations.

04 Adaptive Haptic Alert System [ECE](#) · [Sensors](#) · [Microcontrollers](#) · [Physical Prototype](#)

Handmade smart vibration alert prototype involving circuit design, battery integration and presentation.

NGO & COMMUNITY INVOLVEMENT

Nari Gunjan — Community Development Project: Completed 30 hours of teaching through educational sessions and activities focused on community development and student empowerment.

Times Foundation × LPU — Community Development Project: Participated in community-focused initiatives emphasizing responsibility, leadership and social service.

CERTIFICATIONS & CREDENTIALS

- Computer Programming — iamneo · 150-hour course
- EduPreneur Pitch Fest — 2nd Position · LPU
- Google Data Analysis with Python — Coursera/Google · 2026
- Introduction to Artificial Intelligence — Infosys · 2026
- Community Development Project — Nari Gunjan · 2026

- Food Hygiene — Alison · 2025
- InfernoVerse 24-hour Hackathon — GFG LPU · 2025
- Times Critical Thinking Championship — 2026
- Leadership Fundamentals — EduTech Hub · 2025
- Community Development Project — Times Foundation × LPU

ACHIEVEMENTS & INTERESTS

2nd Position — EduPreneur Pitch Fest · Hackathon participation · Community development involvement · Coding · AI/ML exploration · Problem solving · Technology
